Independent Living Apartments

DaySpring Independent Living Apartment tenants went on a lunch outing to Turk's Tavern on May 16th with Life Enrichment Coordinator, Mary Jo, and Independent Living's Housekeeper, Julie. Some residents from DaySpring Assisted Living also joined in on the lunch outing. In early May, tenants enjoyed a game of Cinco De Mayo Bingo.

Agape Home Assisted Living

Agape Home Assisted Living enjoyed a Cinco de Mayo party where they ate choco tacos, dressed up in sombreros and other festive items, and played a few Cinco de Mayo - themed games. Later in the month of May, residents participated in an activity where they made flower arrangements to use as centerpieces for the dining room tables. Agape Home Assisted Living has been keeping busy with a lot of new and exciting activities.

On Mother's Day this year, Agape Home residents celebrated with a tea party. At the tea party there were a variety of finger foods and different teas to enjoy. During the party they listened to classical music. It was a lovely Mother's Day for our wonderful residents.

Agape Home at Blueberry Fields

Warmer weather means plenty of fun, outdoor activities! Agape Home at Blueberry Fields had a cookout where they enjoyed grilled Italian sausage, sauteed onions and peppers, baked beans, mixed melon, and French fries. Residents have enjoyed relaxing on the front porch as well as soaking up some sun on the back deck. We also celebrated a few birthdays in the month of May including Eddie's, Rose's, and Shirley's. For Mother's Day our staff made small planters with the residents.

KATHY'S CORNER

Dad, you're my hero, strong and tall,
 You lift me up whenever I fall.
 You've been my mentor, my friend, my cheer
 Through laughter and tears, you're always near.
 With steady hands and a gentle soul,
 You've helped me reach my every goal.
 This special day is about you, Dad,
 For all the moments, both happy and sad.
 May your day be filled with joy and cheer,
 For you're cherished today and all through the year.

An original Father's Day Poem by resident Kathy Hale and Administrative Assistant Haley Diffell
